Introduction

The Volunteer Emergency Services Equipment Program (VESEP) is an ongoing annual program funded by the Victorian Government, which provides equipment grants up to a maximum of \$150,000 ex GST.

The program is in its 24th year and first started as the CSESP Program (Community Safety Emergency Support Program) in 2000 and was designed in close consultation with VFBV and volunteers. The Program was intended to be a grant scheme for volunteers – designed by volunteers, with minimal administration from volunteers.

The Grant allows for \$2 in grant money for every \$1 of local contribution for sustainability and local buy-in, local driven priorities with annual strategic state initiatives, robust district/region and state volunteers peer review and a quick and timely approval and notifications process to the successful brigades and groups.

Key to its success is locally driven priority setting, endorsement by District Planning Committee's, operational support and endorsement by CFA Regional Management and a State-wide Steering Committee that reports directly to Government and the CFA Chief Officer and includes VFBV and volunteer representatives who work together to monitor the program and ensure the programs integrity and transparency.

Since its inception, the program has completed more than 2,300 projects totalling more than \$170 million dollars.

The program is an investment in maintaining and building volunteer capability and is designed to ease the pressures of having to fundraise for operational equipment, vehicles, specialist equipment and much needed improvements to amenities.

VFBV encourages all CFA Brigades, Groups, District Councils and Championship Committees to make use of this **VFBV Application Help Pack** to assist them in their applications.

This pack offers practical suggestions and complements CFA's Guidelines and the 2024 application forms. Its intent was to gather the most important information available and put it all in one place. If Brigades or Groups would like a printed copy, please call the VFBV Office on 03 9886 1141 and VFBV would be happy to post you one.

Members can also contact their local VFBV State Councillors, District Council Executives or VFBV Support Officers for any additional information or assistance with their applications.

We wish you well with your application!

CFA Information and forms are located at:

<https://www.members.cfa.vic.gov.au/programs/vesep>

The side links displayed at the right of the CFA's landing page will give you access to information on Specialist Appliances, Tanker Information and Equipment Information.

Application Details 2024

Conditions of VESEP 2023/24 Grants

- ✔ You may apply for only ONE project in the 2024 round
- ✔ All Funding applications to be endorsed and prioritised by the respective DPC and be consistent with the District/Regional Infrastructure Plans.
- ✔ Any additions to the brigade owned fleet require approval of the local ACFO, Regional DCO and the Chief Officer.
- ✔ CFA will maintain approved tankers and specialist appliances to level one maintenance.
- ✔ Projects commenced on or before Ministerial approval will not be eligible for VESEP funding.
- ✔ It is the responsibility of the Brigade/Group to replace assets acquired.

WHAT IS NOT FUNDED?

Core CFA budget requirements

Ongoing expenditure such as maintenance

Projects currently in progress

Project overspends

Where do I find information regarding what is funded under VESEP 2023/24?

Refer to CFA website - *Members Online > Home > Programs > Volunteer Emergency Services Equipment Program (VESEP)* and click to download:

- **VESEP CFA Program Guidelines for 2024 funding round.** See page 3 for priority categories
- **VESEP CFA Application Form Part A: Vehicles and Operational Equipment Application**
- **VESEP CFA Application Form Part B: Volunteer Amenities and Minor Works Application**
- **VESEP Approved Vehicle Specification and Costs**

Alternatively, documents can be found on VFBV website by following VESEP article on web home page.

Endorsed Projects: must be operationally justified

If a brigade is purchasing an **additional vehicle to the fleet** the application will need to be endorsed by your local ACFO and DCO.

The Chief Officer will have the final approval over all additions to the fleet

VESEP Ultra Light Tanker (ULT)

Toyota Landcruiser

\$2 VESEP to \$1 brigade contribution
cab chassis body funded by grant

Brigade Contribution	\$ 24,167
Grant Contribution	\$140,833
TOTAL project cost	\$165,000

VESEP Light Tanker Crew Cab

\$2 VESEP to \$1 brigade contribution
cab chassis body funded by grant

Brigade Contribution	\$ 36,667
Grant Contribution	\$288,333
TOTAL project cost	\$325,000

Application Details 2024

PLEASE NOTE:

Additions to the fleet are given a low priority.

If a brigade is purchasing an additional vehicle to the fleet the application will need to be endorsed by your local ACFO and DCO.

The Chief Officer will have the final approval over all additions to the fleet.

VESEP Medium Tanker

Addition to the fleet

\$2 VESEP to \$1 brigade contribution for the total vehicle cost.

Brigade Contribution	\$161,666
Grant Contribution	\$323,333
TOTAL project cost	\$485,000

VESEP Medium Tanker

Replacement

\$2 VESEP to \$1 brigade contribution towards cab chassis cost.

Brigade Contribution	\$ 65,000
Grant Contribution	\$420,000
TOTAL project cost	\$485,000

VESEP Rehabilitation Unit

Isuzu NNR 45-150

\$2 VESEP to \$1 brigade contribution
Indicative price April 2024(ex GST)

Brigade Contribution	\$ 48,333
Grant Contribution	\$ 96,667
TOTAL project cost	\$145,000

The appliance is a **Multi-Purpose Vehicle**. The rear of the appliance can be configured to suit a brigades specific needs.

Examples;

Remote Area Lighting,
Staging Area Equipment,
Training Equipment,
Thermal Imaging Equipment.

VESEP Multi-Purpose Vehicles

V1 – 4 x 4 short body Manual

- Brigade Contribution \$ 91,666
- Grant Contribution \$183,333
- **TOTAL project cost \$275,000**

V2 – 4 x 2 Short Body Manual

- Brigade Contribution \$ 86,667
- Grant Contribution \$173,333
- **TOTAL project cost \$265,000**

V3 – 4 x 2 Long Body Auto

- Brigade Contribution \$ 91,666
- Grant Contribution \$183,333
- **TOTAL project cost \$275,000**

Indicative Costs as at April 2024 (excludes GST)

Cost escalation to point of build in 2024/25 up to 10% increase

Application Details 2024

Field Command Vehicles (standard build) \$2 VESEP to \$1 brigade contribution To maximum VESEP contribution of \$150,000

XL Cab Chassis

Indicative Cost (ex GST)

- Brigade Contribution \$31,333
- Grant Contribution \$62,667
- **TOT project cost \$94,000**

NB. FCV Vehicles under 8 years of age at the time of changeover will not be considered for replacement .

Field Command Vehicles (standard build) \$2 VESEP to \$1 brigade contribution To maximum VESEP contribution of \$150,000

XLT Cab Chassis

Indicative Cost (ex GST)

- Brigade Contribution \$35,500
- Grant Contribution \$71,000
- **TOT project cost \$106,500**

NB. FCV Vehicles under 8 years of age at the time of changeover will not be considered for replacement .

Volunteer Amenities Improvements

\$2 VESEP to \$1 brigade contribution To maximum VESEP contribution of \$5,000
Kitchen Refurbishments, Fridge, Air conditioner, Hot Water Services, Carpet, Furniture, Tables & Chairs

- Brigade Contribution \$1,667
- Grant Contribution \$3,333
- **TOTAL project cost \$5,000**

Needs to be non-structural, not requiring a building permit.

Brigade Minor Works

\$2 VESEP to \$1 brigade contribution
Total Project value to be less than \$120,000
Enhance CFA Member amenities and safety. Motorization of Motor Room Doors, Installation of garage/Shed, Station refurbishment, PPC Storage.

- Brigade Contribution \$ 50,000
- Grant Contribution \$ 100,000
- **TOTAL project cost \$ 150,000**

All applications must be registered with the VESEP Land & Buildings Project Manager via email VESEPProject@cfa.vic.gov.au by **31st May**. Contact Matthew Mallett with any questions on m.mallett@cfa.vic.gov.au or 0408 055 163

Sample Business Plan

Providing a simple A4 document allows transparency and indicates how the brigade funds are managed and targeted towards new projects. It protects funds raised to replace brigade items.

NB: Each CFA District may have their own local pro-forma. Please check with your Regional Finance & Administration Manager to ask for a copy of their Business Plan.

SAMPLE BASIC BUSINESS / FINANCIAL PLAN

Brigade/Group Name:	Brigade No:	Date:
District:	Region:	

Bank account name & number

Account balance	<i>as per current date:</i>	\$	
	<i>as per 30/06/2022:</i>	\$	
	<i>difference</i>		\$

Last three year's financial summary

	Receipts	Expenses	Profit or Loss
2022 – 2023	\$	\$	\$
2021 – 2022	\$	\$	\$
2020 – 2021	\$	\$	\$

How are you planning to use the funds?

e.g. chainsaw, wet weather gear, toilet, new engine bay, FCV, kitchen

Anticipated cost of project/s

1.	\$
2.	\$
3.	\$

Fundraising methods planned

e.g. seek targeted donations from community; wood raffles x 3, VESEP grant; operate parking for local market; provide BBQ lunches & morning teas for local market/rodeo; hold a rock 'n roll dance.

Signed

Captain	<i>Name</i>	<i>Signature</i>	<i>Date</i>
Secretary	<i>Name</i>	<i>Signature</i>	<i>Date</i>

Special Access Grant Application Guidelines

Not enough money to contribute to a VESEP application but your Brigade or Group really needs the VESEP funding to contribute towards the total cost of a critical item of equipment or station improvement?

Need **financial assistance** with a VESEP application?

NO WORRIES!

Recognising that many Brigades and Groups are unable to raise the necessary contribution for a VESEP project, the CFA VESEP Steering Committee has come to your assistance. They have made allowance for a Special Access Grant.

In other words, Brigades or Groups not flushed with funds can nominate how much they can contribute, if anything at all, towards the project, and request a special access grant to help with the remainder of the Brigade or Group contribution.

HOW DOES IT WORK?

You can receive financial assistance towards your project item if you meet the **Special Access Criteria** detailed on the Special Access Grant Application form:

- Talk to your District Catchment Officer / Assistant Chief Fire Officer about your situation and your plans to seek their justification of your special access application.
- Describe and document why you are unable to make the full brigade contribution.
- List any purchases over \$1,000 you made over the last three years.
- Detail what fundraising activities you have been involved in over the last three years.
- Provide a copy of Brigade or Group Audit Financial Reports over the last three years.
- Obtain the endorsement of your Assistant Chief Fire Officer and Regional Deputy Chief Officer.

Contact your District Catchment Officer/Assistant Chief Fire Officer if you want to progress a **VESEP Special Access Application**

*CFA provided a copy with the VESEP mail-out to your Brigade / Group
All application forms are available for download from the VFBV
website www.vfbv.com.au*

VESEP Application Supporting Documents

- 1. Brigade letter on Brigade letterhead to accompany your application** to District Headquarters regarding your application for your project item.

Sample contents of letter:

With our application is the supporting documentation required.

In addition we submit a few other details:

- Financial situation, statement, business plan, *Special Access grant* application.
- Support from neighbouring Brigades and Groups.
- Support from Catchment Officer

Yours Sincerely

- 2. Completed VESEP 2024 Application form A or B** (2 page available in Word format) and if necessary, completed *Addition to the Fire Fighting Appliance Fleet Operational Justification* form.
- 3. Quotation** – copy of quote from supplier indicating all inclusions, but excluding GST
- 4. Copy** of most recent Bank Statements
- 5. Copy of Brigade Financial Plan** indicating where the brigade monies are being directed and if necessary, include your *Special Access grant* application.
- 6. Supporting Documents you provide re your Brigade/Group.**

Provide a few details/or a statement for each point

- Name of Brigade/Group and item sought.
- A few details about the Brigade
 - Group
 - Municipal Council
 - Vegetation types
 - Fire risks
 - Traffic – if congestion is an issue
 - Victorian Risk Register rating – if applicable
- How the equipment, vehicle, or project would be helpful in light of all this information.

Brigade Information – provide a few details for each point

- How will your brigade consistently crew and operate vehicles and/or equipment?
- Will the vehicle be housed in the fire station?
- Does the vehicle meet the Regional Strategic Resourcing Plan?
- Brigade Turnouts per year?
- Time distance from neighbouring Brigade

Selection Criteria – provide a few details for each point (*see CFA guidelines page 4*)

- Needs assessment
- Risk assessment
- Ability to crew and operate – further details.
- Benefit to community/catchment.
- Capacity to fund
- Core responsibility factors
- Enhance Operational Readiness

Case Studies

The Case Studies are provided by volunteer members to provide inspiration and support

- in each of the five VESEP Categories
- by providing recommended tips and handy hints.
- what the Brigade or Group thought made their application successful

The Case Studies can be found on the [VFBV website \(https://tinyurl.com/vesep-casestudy\)](https://tinyurl.com/vesep-casestudy)
